**PRESTO ECOA
AUTHORIZED DISTRIBUTOR**

For over 70 years, Presto Lifts, Inc. has been creating precision hydraulic equipment that improves safety and productivity. Presto Lifts offers more than 500 different models of lifts, tables and tilters -- more than any other company in the world. In 2016 Presto Lifts acquired ECOA Industrial Products. ECOA's products have allowed us to expand into the production of bigger footprint, heavier capacity, and custom designed equipment required throughout many of the same facilities that currently use Presto products. All of our products are put through a rigorous 110% testing before shipment, to ensure our high quality standards are met. If service is required, all standard replacement parts are carried in stock and are shipped within 24 to 48 hours.

CUSTOM LIFTS AVAILABLE!

Presto ECOA manufactures standard ergonomic lifting equipment with capacities ranging from 500lbs-120,000 lbs, as well as providing for all of your customized needs. Our talented team of engineers and designers will work with you to provide exactly what you need, delivered on time and competitively priced.

(AIS) ALWAYS-IN-STOCK PROGRAM

The Presto Always-in-Stock (AIS) Program is a key factor in our ability to satisfy customer requirements more quickly than other suppliers. New inventory systems and state-of-the-art manufacturing processes ensure that our most popular products are Always-in-Stock and available for immediate shipment - **1 week or less**
