Proud Authorized Distributor of:

TSLOTS Aluminum

Extrusions: Easy to use, lightweight, durable and prefinished in any color you need.

Nichigo G-Tape™:

Pressure-sensitive, hand tear able, leaves little or no residue. Can be removed from itself and reused unlike standard duct tapes. Higher tensile strength and dimensional stability than conventional gaffer tapes or duct tapes.

Swiss Precision

Instruments: Quality, Value and Fast Delivery. Our 432-page catalog features all of the SPI Branded Products. You will find numerous New, Unique and Hard to Find Measuring Tools, Optical Tools, Machine Tool and Shop Accessories.
